COMMANDER'S CORNER

Again, we find ourselves in the midst of a political season, and it seems each time, we are told it is the most important one. You and I gave a portion of our lives to our Republic and one reason was to guarantee our freedom to vote for our political leaders. Yes we are a Republic, not a Democracy.

Again, we are urged to get out and vote or submit absentee ballots. That is laudable, but the act of voting carries with it the responsibility of being an informed voter.

Most of us veterans probably do look at issues and not personalities. However, there are some Americans who are not aware of the issues and the stance their chosen candidates take or took regarding them.

Though somewhat suspicious, there have been some television programs which interviewed people at the beach or street and asks them some basic questions about candidates, history, etc. These can be disturbing, but do carry grains of truth regarding a lack of knowledge or recall about facts and issues.

Unfortunately, I am reminded of the words often attributed to Benjamin Franklin when asked what form of government was being founded, "A republic, if you can keep it."

Lets work towards keeping our Republic.

BEARS REPEATING?

As computer/tablet/cell 'phone users, we may not always check each bit of mail in our trash, but this is just a reminder that we might overlook an item that is not trash.

It takes just a little more time to review the trash items than to hastily and automatically delete them.

Some of email clients incorporate a black list and white list to protect users, but no system is perfect.

If in doubt, sort of check it out? Running a mouse over a link can often reveal if it is valid or not.

LEST WE FORGET

[The American Battle Monuments Commission](#), established by Congress in 1923, is an agency of the executive branch of the federal government. ABMC — guardian of America's overseas commemorative cemeteries and memorials — honors the service, achievements and sacrifice of U.S. Armed Forces.

The purpose is to commemorate the U.S. armed forces by maintaining the national legacy of their service in the world's consciousness.

NOT THIS YEAR

Before this sheltering-in-place due to Covid-19, our cadre would get together for lunch at a restaurant. This was a way to have some social interaction and be something apart from sitting at our computers or cell 'phones for our monthly cyber Post meetings.

Not this year...maybe sooner than later?
